

CRITICAL INFORMATION AIRTEL AU MOBILE NANO 30 DAY PLANS

30 Days	Nano 30	our always text and talk and you also get the extra 6GB on our 4G network	\$20.00
---------	---------	---	---------

TERMS
If all current data included, bonus and databank data is used before 30 days has elapsed, access to data will cease unless you have a main balance (excess data charged at \$0.02/MB) or until you recharge or purchase a data pack or a new plan that includes data.

USAGE
If all current plan data, bonus data, and bolt-on data is used before the 30 day expiry, then the data in the data bank will be used. Once the databank data is used before 30 days has elapsed, access to data will cease unless you have a main balance (excess data charged at \$0.02/MB) or until you recharge or purchase a data pack or a new plan that includes data.

TERMS
You have a 48 hour grace period to recharge after the expiry date to bank unused data into your databank, otherwise the data will be lost. Data in the databank cannot be used during the grace period. Your databank is not activated until unused data has been banked. Only unused included plan data can be banked into your databank.
Not included in data bank roll-over: Data bolt-on, Bonus data

CONSUMPTION RULES
When plan is still active: Plan Data (shortest expiry first) -> Bonus Data (shortest expiry first) -> Data Bolt-on (shortest expiry first) -> Data Bank -> Main Balance When the plan has expired and within 48-hour data bank grace period: Data Bolt-on (shortest expiry first) -> Main Balance
