The service provided is airtel au giving access to Vodafone 4G and/or 5G coverage. To use the service, you must first order and activate an airtel au Mobile SIM card which will enable you to make and receive domestic voice calls, SMS, MMS and provide access to data services. The service is provided by Vodafone Hutchinson Australia Pty Ltd.

2. Using your Plan and Inclusions

To use this Plan, you must buy and activate an airtel au Mobile Physical or eSIM.

Included

When you're in Australia the following services are unlimited and included:

- calls to standard national fixed lines;
- calls to standard national mobiles;
- calls to 13, 1300 and 18 numbers;

- calls to voicemail; and
- standard national SMS and MMS
- International Calls for applicable plans to 25 countries as specified in the table above.
- Personal use only

Exclusions:

All services not listed above, including but not limited to:

- calls made, SMS sent and Data used when you are roaming onto a network other than the Vodafone Digital Mobile Network, including Australian and international networks;
- SMS to international numbers;
- premium and re-routed SMS;
- voice call diverts;
- any form of video calls;
- use of the VHA Network that is for a commercial purpose or for resale by you; and
- any voice call, SMS or MMS which is rerouted by a third party and/or re-routed to an international destination or to a premium number or service.

International Roaming:

Customers must have an active main balance in order to utilise international roaming. The countries, costs and rates related to the use of international roaming listed will be deducted from your main balance. Please click here

Eligible Devices:

You must bring your own unlocked device that meets the Device Guidelines available on the airtel au Mobile website <https://www.airtel.net.au> . Your tablet or other device may not be capable of making calls or sending or receiving SMS and MMS. Note that 3G will be decommissioned in December 2023 and 3G handsets will need to be updated to continue to use this Service.

Data Bank:

Up to 200GB unused data in a 30-day period may be banked into a databank for use in the next 30-day period if the plan is recharged or a new plan is purchased that includes a databank (databank plan) before the expiry date. You have a 48-hour grace period to recharge or purchase another databank plan after the expiry date to bank accumulated data into your databank, otherwise the data will be lost. Data in the databank cannot be used during the grace

period. Your databank is not activated until unused data has been banked. Only included plan data can be banked into your databank. Bonus Data and Data Pack data cannot be banked. Unused data more than 200GB expires on next recharge or expiry date, whichever is earlier.

Data: If all current included plan data, data add-on, bonus and databank data is used before 30 days has elapsed, access to data will cease unless you have a main balance (excess data charged at \$0.02/MB) or until you recharge or purchase a data pack or a new plan that includes data.

Acceptable Use: Acceptable Use: This Plan and your use of our network (including the unlimited use of national calls, SMS and MMS) is subject to the airtel au Mobile Acceptable Use Policy, available at <https://www.airtel.net.au>

3. Information about Pricing

Early Termination Charge:	There is no minimum contract term. If you cancel your service or port out, you will not be charged an early termination charge, however any remaining credit will not be refunded, and any unused data will be forfeited.
Automatic Recharge	If Automatic Recharge is turned on, at the end of each 30-day period, the plan will automatically recharge by debiting the cost of your service using your stored payment details for further 30 day periods unless you turn Automatic Recharge off or terminate the plan. Automatic Recharge will only be turned on by default if you have provided your payment card details to pre-authorise your purchase or you have stored your payment details. You can deselect the default automatic recharge option when signing up for the plan or you can turn it off or on at any time via your My airtel au Account.
Cost of a 2 min standard call	No additional cost. These calls are included in the cost of the recharge.

Cost of a Standard National SMS	No additional cost. These SMS are included in the cost of the recharge.
Cost 1MB of Data within Australia	Additional data charged at \$0.02/MB. Charged in KB increments.
